

## Continuing Education Accreditations & Approvals Requested and/or Received by Organization

Updated: 5/31/22

State CE requirements in the list provided and approved IAOM-US courses are updated periodically each year. **However, we urge participants to check with their state licensing agency directly to verify the most up-to-date CEU requirements.** If IAOM-US does not offer a course in your state, and you would like to take an out-of-state course, you can contact your state board or local chapter of the APTA to find out about applying for state approval on your own. IAOM-US is happy to provide all the documentation you may need to support your CE application. If your course/state is not listed below, please contact [info@iaom-us.com](mailto:info@iaom-us.com)

IAOM-US is recognized by the Board of Certification, Inc. to offer continuing education for certified athletic trainers

IAOM-US is an approved CE Provider #0540 by American Occupational Therapy Association.

IAOM-US is an AOTA Approved Provider of professional development for the course entitle: “ **A Systematic Approach to Examination, Diagnosis and Manual Therapy of the Wrist II** “ **Course approval ID# 04437** . This Live course is offered at 15.25 CEUs, intermediate educational level, Foundational Knowledge. The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA or indicate AOTA approval of a certification or other professional recognition.”
